South Asian Showdown

Sponsorship Packet

Dear Prospective Sponsor,

South Asian Nation, Inc. is a non-profit organization dedicated to promoting South Asian culture and enriching the socio-ethnic identity of our youth. On February 27th, 2016 they will host their fourth annual South Asian Culture Showdown Dance competition at John Hancock Auditorium in Boston, MA. The first six years sold out with close to 1,400 people in attendance and everybody enjoyed the show! It is an exciting event for the organization and a unique opportunity for you as a sponsor.

South Asian Nation has chosen to work to promote cultural diversity and look for this event to become one of the largest events in North America. The concept of Showdown is to bring various forms of South Asian dance to one stage where judges have the unenviable task of determining the best teams. The genres include Bollywood & South-Asian Fusion.

As a sponsor, your organization or business will have the chance to gain valuable exposure through the success of this event. This will be one of the largest South Asian events in New England and one of the top dance competitions in the US. Depending on the sponsorship level chosen, your name could be promoted for months preceding and following the competition.

Our organization has a deep and sincere interest in our mission, and we view this event as a mutually beneficial opportunity for our sponsors as well as our organization – perhaps even the beginning of a long-term relationship.

This packet includes information on the levels of sponsorship opportunities. In addition to the pre-set sponsorship packages, we are willing to discuss individual arrangements with you. Your sponsorship means a great deal to us and motivates us to be as flexible as possible. Depending on the type of company you belong to, we can work out the most beneficial forms of recognition for you. Also keep in mind that we are legitimate 501(c3) institution, and any contribution made to this cause are 100% tax deductible.

Feel free to contact us at sponsor@southasianshowdown.com with any questions, comments, or concerns.

Thank You,
South Asian Nation

What is South Asian Dance?

South Asian dance can take on many forms. This competition specifically targets some of the most popular and most entertaining. Bollywood is the dance form that originates from the Mumbai based film industry with many popular Hindi songs. Fusion is the potential combination of any style of dance, classical, or any other South Asian mixture of dance. There are other forms of South Asian dance, however, these are the ones we have chosen to focus on for this competition.

These forms of dance help to show the most popular songs and types of South Asian dance that are performed throughout the world. These forms of dance/music are taught throughout the world and are used throughout the world in movies, and songs.

Why is South Asian Nation hosting this Event?

South Asian Nation (SAN) is a non-profit organization dedicated to promoting the rich South Asian culture throughout the United States. South Asian Nation is the parent company of Boston Bhangra which runs the very successful Boston Bhangra Competition annually. This has grown from the John Hancock Auditorium to the Orpheum Theatre and is seen as an annual must-see event in Boston.

South Asian Nation has hosted this event the past 6 years with a tremendous amount of success. All 3 years the event sold out with close to 1,400 people in attendance. Not just was the event sold out, but the events have run flawlessly and have awed both sponsors and patrons that have come to watch the event.

This previous history of success, along with the enhanced market reach will help benefit teams, the audience, and of course, our sponsors.
